

Udo Giegerich, Member of the Management Board (CFO)

Udo Giegerich has been a member of the Management Board of Corestate Capital Group since 1 August 2021. As Chief Financial Officer (CFO), he is responsible for the central areas of accounting, taxes, controlling, treasury, risk management and internal audit.

After ten years as a management consultant for CFOs at some of the major auditing firms in Frankfurt and Zurich, Udo Giegerich spent eight years in senior financial positions at OMV, BAWAG and Bundesimmobiliengesellschaft in Vienna. After returning to Germany, he was first the first CFO of the electricity grid operator 50hertz for five years and then Executive VP Group Finance and Investor Relations of Uniper. He has extensive experience in international finance and capital markets, corporate transformation and management, process optimisation and IT and digitalisation.

Udo Giegerich holds a degree in business mathematics from Albert Einstein University in Ulm.
